## Volume 3C

Proposed Record of Protected Structures  
Adare/Rathkeale Municipal District

June 2021

## Contents

1.0 Introduction .....	1
2.0 Record of Protected Structures - Adare Rathkeale Municipal District .....	2

## 1.0 Introduction

Limerick City & County Council is obliged to compile and maintain a Record of Protected Structures (RPS) under the provisions of the Planning and Development Act 2000 (as amended).

A Protected Structure, unless otherwise stated, includes the interior of the structure, the land lying within the curtilage of the structure, and other structures lying within that curtilage and their interiors. The protection also extends to boundary treatments. The proposed RPS contained within Draft Limerick Development Plan 2022 - 2028 Plan represents a varied cross section of the built heritage of Limerick. The RPS is a dynamic record, subject to revision and addition. Sometimes, ambiguities in the address and name of the buildings can make it unclear whether a structure is included on the RPS. Where there is uncertainty you should contact the Conservation Officer.

The Department of Culture, Heritage and the Gaeltacht is responsible for carrying out surveys of the architectural heritage on a county-by-county basis. Following the publication of the NIAH for Limerick City and County, and any subsequent Ministerial recommendations, the Council will consider further amendments to the Record of Protected Structures. The NIAH survey may be consulted online at [buildingsofireland.ie](http://buildingsofireland.ie)

There are 565 structures listed as Protected Structures in the Adare - Rathkeale District. The NIAH recommends 173 structures to be added to the Record of Protected Structures. The Council will seek to assess and add these structures if appropriate within the lifetime of this plan.

Useful resources when undertaking works on Protected Structures and within their curtilage can be found the planning leaflets series available on-line on [opr.ie](http://opr.ie), the Department of Housing, Local Government and Heritage Advice Series on [buildingsofireland.ie](http://buildingsofireland.ie), and the advice and guidance on traditional building skills on [heritagecouncil.ie](http://heritagecouncil.ie) For objectives in relation to Protected Structures and NIAH recommended structures refer to Section 5.5.2 Architectural Heritage in Chapter 5 Environment and Heritage, Volume 1 Written Statement, and for guidance on works refer to Section 11.10.2 Architectural Heritage – Protected Structures in Chapter 11 Development Management Standards, Volume 1 Written Statement.

## **2.0 Record of Protected Structures - Adare Rathkeale Municipal District**
