

# O'Connell Street Revitalisation Project

## WEEKLY BULLETIN NO. 14

WE13/06/2021

### UPDATE:

**Phase 1 - Block 6**, Thomas Street between Little William St and O'Connell St and

**Phase 2 - Block 2**, O'Connell Street between William St and Thomas St.

Preparations on Block 2 are progressing in advance of the kerbing arriving on site mid-June. This work involves regulating the surface prior to installing new paving.

We will be continuing excavation and installation for the ESB service ducts on Thomas St, a portion of these works will have to be carried out of hours and will involve rerouting of the existing pedestrian walkway along Thomas Street.

Next week we will be carrying out excavation works on William Street, access will remain unrestricted in this area.

We will also be widening the footpath on the Eastern side of Thomas Street to provide increased space.
