Road Traffic (30 kilometres per hour Special Speed Limit)
Bye-Laws 2021 Overview

Overview

The following document gives a brief overview of the progress to date with respect to the provision of 30kph speed limits within housing estates

Amendment of byelaws

Each year the Municipal districts identify a number of estates and Areas of estates, which meet the requirements set out by the Guidelines for Setting and Managing Speed Limits in Ireland and have been/are taken in charge by LCCC.

This list is added to the estates and areas of estates identified by Councillors and members of the public throughout the year which providing they meet the criteria are considered for inclusion in the Bye-Laws.

The proposals have been presented at each of the area briefings, to An Garda Síochána and have been through the public consultation process with all submissions reviewed and considered.

The table below shows the number of estates capture under this 30 kilometres per hour Special Speed Limit to date and the number of proposed estates to be captured in 2021.

Pre 2021- The number of 30 kilometres per hour Special Speed Limit bye-laws introduced	The number of 30 kilometres per hour Special Speed Limit bye-laws to be introduced in 2021
407 bye-laws which equates to 479 estates	129 bye laws which equates to 169 estates

A review is being undertaken to ensure all estates captured under these bye laws have been adequately sign posted with a further review in early 2022 to ensure the 2021 proposals are captured.
