Good morning Karen.

Please forgive the extremely late reply to your email in relation to our group renting facilities at the Council Offices in Rathkeale. I thought that I had replied and I hadn't and apologies for that.

Karen, Shay Riordan of West Limerick Resources has asked me to follow up with a request for the committee of the Pre Social Cohesion to meet with the Councillors in relation to our work. We have had the good fortune to meet them as a group in a session they held in Rathkeale and also during a conference we held in Rathkeale.

I know that we are heading into a very busy part of the year and understand if it is not possible to meet the councillors until the New Year.

Again apologies if I've directed this email to you by accident, if so maybe you'd be kind enough to direct to the person responsible for organising such meetings?

Kind regards

Denis
