**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE-KILMALLOCK TO BE HELD ON 16th
December 2021**

Notice of Motion submitted by Councillor Carey

I will move at the next meeting of the Cappamore/Kilmallock Municipal District that the possibility of a footpath from Fairyfield, Kilmallock to link the existing footpath across from the Creamery be explored, costed and added to the existing list of locations under the NTA Active Travel Investment Programme.

REPLY:

The Cappamore-Kilmallock MD office will consider this request to determine if the delivery of a footpath is feasible. A cost estimate of the proposal will also be carried out. It should be noted that there are currently a significant number of requests for new footpaths at numerous locations across the district. It should also be noted that the delivery of such schemes are dependent on the continuation of Active Travel Funding in the future.
