Built Heritage Investment Scheme Application Checklist

In order to assist us in processing and assessing your application this Checklist is provided to ensure that all the documentation required by Limerick City and County Council is included when returning the Application Form.

Grant Application Form (completed in its entirety)

Written consent of the property owner for proposed works (where applicable)

Copy of Section 57 Declaration, Planning Permission, Fire Safety Certificates, Universal Access Certification, or any other statutory approval already obtained (where applicable)

Structure Location Map (To Ordnance Survey P.L.A.C.E. Map standard)

Site Layout and/or Site Plans and Elevations- with the areas where works are to be undertaken clearly marked in red

Conservation Plan and/or Scheme of Works (see the Notes for Applicants)

Method Statement/s (which should emphasise the retention of original/early material insofar as possible) and Specifications
[Information in respect of appropriate methodologies, materials and approaches can be obtained in the *Architectural Heritage Protection Guidelines for Planning Authorities* (2011) and the *Advice Series* publications]

Detailed Cost Breakdown of works for which the grant is being sought

Two, or more, Record Photographs of the principle elevations of the Structure and sufficient Record Photographs of the present condition of the fabric on which it is proposed to undertake works, all dated, mounted on A4 card, and captioned (Please note, with your consent, images of your building and project may be used by the Department to advertise or publicise the B.H.I.S.)

Personal Tax Clearance Certificate (for applications seeking €10,000 or more)
(Please note, Contractors' Tax Clearance Certification must be included with paid invoices when making your claim for payment)

All of the appropriate documentation from the list detailed above must be included with your Application in the first instance. Failure to include the required material will render the application invalid and result in your Form being returned to you.

In order to be set up for payments that may be forthcoming it will be necessary (if not already done) for applicants to complete an Electronic Funds Transfer Form and to submit their Bank Details. You will have to meet the Council's requirements (which are fraud prevention measures) for your application to be considered complete. A member of the Council's administration staff will contact you in relation to this in the coming weeks,

The closing date, set by Limerick City and County Council, for applications for this round of the Built Heritage Investment Scheme is Friday, January 21, 2022.

Please retain photocopies of this checklist, and all documents submitted in support of the application, for your records.
