

# CITY ENGAGE WEEK 4

+CITYXCHANGE

## SUSTAINABLE ENERGY FUTURE

31st January -  
3rd February 2022  
Online and in person

Are you interested in Limerick's clean energy transition?  
Owners of property in the Georgian Neighbourhood,  
Professionals working on heritage buildings and anyone with an  
interest forming an energy community in Limerick City are being  
invited to take part in a week-long series of targeted events  
focusing on a sustainable energy future for Limerick

### Energy Champions Storytelling Event

Online Event  
Monday 31st January  
@ 7.00 - 8.00pm  
[BY invitation only](#)

In 2021 our Positive Energy Champions took on the challenge of taking positive actions on their energy and sharing them with their communities. This event will celebrate their achievements and hard work and will allow them to share their experiences and feedback with the +CityxChange team.

### Retrofit of Traditional Georgian Buildings in Limerick

Online Event  
Tuesday 1st February  
@ 2.30 - 3.30pm
