5. Question submitted by Mr. Bruce Harper

Limerick Travel and Transport Linkage Group would like to know the following;

- When did LCCC last review its policy on disabled parking in the city? Some allocated spaces have been replaced and others are difficult to access.
- What ratios in relation to the allocation of disabled parking spaces are being applied?
- Is there monitoring of the current allocation and if so, what has LCCC learned from its monitoring?
- How has LCCC liaised with disability groups in relation to its policy on parking place allocation for disabled drivers?
- When will the next review take place?
