RE: MOVE Conference

A Chomhairleoir, a chara,

An invitation was received asking Mayor Daniel Butler to participate in a panel discussion on the topic '**Innovating for accessibility**' at the 2022 MOVE conference.

MOVE is the world's most important mobility event, where disruptive technology and innovation drive change to a carbon zero future for the entire value chain.

The event is THE meeting place for the mobility industry, with 5,000 Director+ level attendees from automotive, government & cities, fleet, transport operators, energy, regulators, micromobility, rideshare / ridehail, urban air mobility and road & infrastructure.

Past speakers including Ashwani Gupta, COO, Nissan, Peter Rawlinson, CEO, Lucid Motors, Dr. Andy Palmer, CEO, Switch Mobility, Avinash Rugoobur, President, ARRIVAL and many more.

It will be a perfect opportunity to:

- Update the global market on our latest areas of innovation
- Network with the most successful figures in the industry worldwide
- Showcase our knowledge and achievements to an international audience

It is proposed that the Mayor of the City and County of Limerick, Councillor Daniel Butler, would travel to London to attend the conference on the 15th and 16th June 2022.

In accordance with Section 142(5) of the Local Government Act, 2001, as amended, the approval of the Council is hereby sought for this proposed visit to London with an estimated cost of €908.44.
