2022**

**Notice of Motion submitted by Councillor J. O'Donoghue**

I will move at the next meeting for Limerick City & County Council to give a date for the take over of Beechwood Drive Estate, Ballingarry.

**Reply:**

The residents of Beechwood Drive, Ballingarry requested Limerick City and County Council to take the estate in charge in May 2019.

The estate has been inspected, and the resulting report this is currently under review. The Council will work with the developer with a view to having the estate brought to a taking-in-charge standard as soon as is practical.
