A Chomhairleoir, a chara,

Notice of Motion submitted by Councillor L. Galvin

I will move at the next Municipal Meeting that this Council work with the Department of the Office of Public Works to secure the river banks to the rear of the town park, Abbeyfeale.

MEETING TO BE HELD ON WEDNESDAY 15th June, 2022

Notice of Motion submitted by Councillor Sheehan

I will move at the next Meeting that the laneway between the rear of Bishops Court Estate and Courtney's Boys School leading from the Desmond Complex to Bishop Street be taken in charge by Limerick City and County Council and upgraded to a safe standard

Answer:

This private laneway will be checked to ascertain the cost of works necessary to bring this laneway to an acceptable standard.

In order to take a roadway/laneway in charge there is a formal process under Section 11 of the Roads Act 1993, which includes advertising the intention in local newspapers and seeking submissions from the public.

MEETING OF THE MUNICIPAL DISTRICT OF NEWCASTLE WEST TO BE HELD ON WEDNESDAY, 8TH JUNE, 2022.

Notice of Motion submitted by Councillor J. Sheahan

I will move at the next Meeting that the Council engage with Limerick 2030 DAC to develop the areas in public ownership around the Desmond Complex to provide a modern library/theatre/arts and cultural centre for the people of Newcastle West and its Municipal District.

Reply:

In the current Limerick Libraries Development Plan, ***People, Place, Platform, 2021-2025***, adopted by the Council in 2021, a key priority action identified was to complete major refurbishment works at Newcastle West Library.

These works were tendered in 2021 and following a competitive process, a builder was appointed to undertake the refurbishment works.

Work commenced on site in Spring 2022 and is due for completion by June 2022.

The completion of these works will greatly enhance the facilities and services offered at Newcastle West library.

In terms of exploring options for an arts/cultural centre for Newcastle West, the commencement of a feasibility study/options report for a facility of this nature is included in the work programme for the Arts Office for Q4 2022.
