TO BE HELD ON THURSDAY, 16th JUNE, 2022.**

Question submitted by Councillor Mitchell

I will ask at the next meeting of the Cappamore-Kilmallock Municipal District what is the update on relocation of existing pedestrian crossing in Hospital.

Reply:

The relocation of the existing pedestrian crossing from the Main Street in Hospital to the Knockainey road junction will be carried out as soon as the new power supply, which is required for the crossing is put in place by the ESB. All materials and the necessary Contractors to deliver the works have been procured so there will be no delay once power is available.

**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE/KILMALLOCK TO BE HELD ON
THURSDAY, 16th JUNE, 2022**

Question from Councillor Mitchell

I will ask at the next meeting of the Cappamore Kilmallock Municipal District what is breakdown of allocation of €300,000 for O'Rourke's Cross Bruree in the Schedule of Municipal District Works.

Reply:

Transport Infrastructure Ireland provides annual allocations for National Road Schemes to progress them through the various stages of planning to construction and completion stages. The scheme is currently at "Phase 4 – Statutory Processes" stage, in accordance with TII's Project Delivery Phases, and the allocation is associated with that stage of the scheme's delivery.

There is currently an impending Judicial Review (JR) of the Compulsory Purchase Order (CPO) as confirmed by An Bord Pleanála to acquire the lands and extinguish rights of way necessary for N20 O'Rourke's Cross road scheme construction.
