**Question submitted by Councillor Gerald Mitchell**

“I will ask at the next meeting of the Cappamore Kilmallock Municipal District for ramps to be installed in Knocklong immediately in the interest of health and safety.”

**REPLY:**

The Cappamore-Kilmallock MD office will carry out traffic surveys and determine the vehicular speeds through the village. If the vehicular speeds are determined to be excessive, appropriate traffic calming measures will be designed and the normal consultation and funding applications will be carried out.
