Proposed N21 Coolanoran Traffic Calming Scheme

A Chomhairleoir, a chara,

I refer to the proposed N21 Coolanoran Traffic Calming Scheme and report which was on 17th August last issued in accordance with Part XI of the Planning & Development Act 2000 (as amended) and Part 8 of the Planning & Development Regulations 2001 (as amended).

You will be aware that this proposed traffic calming scheme is located in both the Newcastle West and the Adare-Rathkeale municipal district areas. The scheme is being brought to the September 2022 meetings of both municipal districts for consideration and discussion by the Elected Members.

However, the formal Part 8 approval for this traffic calming scheme will be brought to the full meeting of Limerick City and County Council in September, as the scheme is located in two municipal district areas.

Is mise le meas,

Mairead O'Donovan

Administrative Officer
