**Reply to Notice of Motion for the November Meeting of Newcastle West Municipal
District, to be held on Wednesday, 2nd November, 2022.**

Notice of Motion submitted by Councillor J. Scanlan

I will move at the next Meeting that a progress report be provided in respect of the need for a Distributor Road in Newcastle West.

Response:

The Newcastle West Local Area Plan 2014 – 2020 (as extended) identifies a proposed route for a distributor road, which was intended to be developer led. No progress has been made in relation to the delivery of the road since the adoption of the Local Area Plan.

The Local Area Plan review has commenced internally and it is not reasonable to define the need or otherwise of such a road at this stage until the review has developed further. Note, consultants have been engaged to further develop a Local Transport Plan for Newcastle West as required in the Regional Spatial and Economic Strategy.

The Forward Planning and Transportation and Mobility Teams will engage with the Elected Members of the Newcastle West Municipal District, stakeholders and the public throughout this process.

Robert Gallagher,
Senior Engineer

Maria Woods,
Senior Planner
