**Meeting of the Municipal District of Newcastle West  
to be held on 7<sup>th</sup> December, 2022**

**Notice of Motion Submitted by Councillor L. Galvin:**

I will move at the next Meeting that Limerick City and County Council cut the trees at the Water Treatment Plant in Abbeyfeale.

**Reply:**

This Question was referred to Irish Water (Reference No: 56878).

Irish Water has reviewed this request and we do not see a requirement at this time to remove these trees. Trees are regularly planted around our sites to encourage biodiversity and to provide screening from the local community. We consider these trees are at a sufficient distance from neighbouring properties as to not be causing any unreasonable impacts.
