MEETING TO BE HELD ON WEDNESDAY 11TH JANUARY 2023

Question submitted by Councillor L. Galvin

I will ask at the next Meeting for an update on the footpath extension and lighting out the Killarney Road, Abbeyfeale towards Dalton's Cross? Have you an update on the application ?

REPLY:

I sent an application to Transport Infrastructure Ireland on the 1st December 2022. The proposal is to extend the path by 250m as far as the junction of the N21 with the L1325. This will then promote a walking Loop which would promote active travel and provide alternatives to the residents for access into the Greenway from local B&B. In addition, the path would provide safer access for residents and safer access to the town park. The proposed works would include for the construction of the new path, drainage, ducting, public lighting and associated works. We are still awaiting a reply from TII.

Senior Executive Engineer,
