NOTICES OF MOTION

7. Notice of Motion submitted by Councillor Mitchell

I will move at the next meeting of the Cappamore/Kilmallock Municipal District that Limerick City and County Council supply an extra Truck for patching potholes in the area. It is a huge area with the longest kilometers of roads in County Limerick, particularly during the winter months where we have consistent heavy rain and floods with heavy frosts where staff are under severe pressure. It saves money from damage and claims and promotes safety on our roads long term.

8. Notice of Motion submitted by Councillor Teefy

I will move at the next meeting of the Municipal District that a schedule be put in place to remove the grass ridge growing in the middle of many local/tertiary roads which are otherwise in good condition.

9. Notice of Motion submitted by Councillor Donegan

I will move at the next meeting of the Cappamore/Kilmallock Municipal District calling on Limerick City and County Council to promote and allocate grant funding to support the 2023 Annual St. Patrick's Day Parades planned within the Municipal District.

10. Notice of Motion submitted by Councillor Carey

I will move at the next meeting of the Cappamore/Kilmallock Municipal District that Active Travel Funding be made available for pedestrian crossing and footpath at Anglesboro National School to address serious safety issues and concerns, similar to what was made available in the last couple of years to Ballylanders NS and Martinstown NS

QUESTIONS

11. Question submitted by Councillor Mitchell

I will ask at the next meeting of the Cappamore/Kilmallock Municipal District for an update on the taking in charge of Cluain Foinse Estate in Hospital by Limerick City and County Council.

12. Question submitted by Councillor Mitchell

I will ask at the next meeting of the Cappamore/Kilmallock Municipal District that two ramps be installed on the Hospital Emly road outside Cluain Foinse Estate before the Doctors Surgery on the Emly side and entrance to Galtee View Estate on the Hospital side to slow traffic and in the interests of safety for all road users.

13. Question submitted by Councillor Teefy

I will ask at the next Municipal District meeting that improvement works/safety measures be carried out around the area of Cahercorney Graveyard on the R514.
