ADJOURNED NOTICE OF MOTION

Notice of Motion submitted by Councillor T. Ruddle

6. I will move at the next Meeting that due to the shockingly bad level of service in fixing blown public lights which are now taking months if at all to get fixed, that Limerick City and County Council meet with Airtricity with a view to improving the service.

No lighting leads to anti-social behaviour and people do not feel safe walking around at night, this should be a priority for this Council.
