Dear Karen

I am part of a Whats App group of over seventy members who use this facility for swimming. Indeed many members are swimming all the year round. We would acknowledge the great improvements which the Council have done over the years which has enhanced the pier for swimming ,fishing and walking. We would like the opportunity for a deputation to meet the Councillors and officials at the next area meeting in February, as to what further improvements could be made in Kilteery. I look forward to your confirmation that you will be able to meet us.

Regards  
Michael Finucane
