

**Meeting of Limerick City and County Council to be held on Monday, 27<sup>th</sup> March 2023.**

**Question submitted by Councillor J. Scanlan**

I will ask at the next Meeting how many people are qualified for housing within each Municipal District; also, what the total number for our Authority now stands at.

**REPLY:**

The total number of qualified social housing applicants for Limerick City and County Council is 5,843 as at 28<sup>th</sup> February 2023. This figure includes those currently in HAP/RAS accommodation and those on the Council's transfer list.

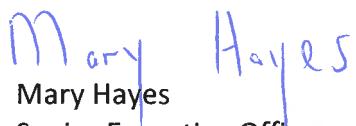

The number of qualified social housing applicants for Limerick City and County Council net of HAP/RAS and Council Transfers is 2,301.

All applicants for social housing support can select a maximum number of 3 Areas of Choice and make their selection on the housing application form. The areas of choice are listed on the application form under the relevant Municipal District/Metropolitan District.

The number of people qualified who have selected their areas of choice under the various Municipal Districts is set out below as per their First Area of Choice and is based on the net number of qualified applicants:

<u>Municipal District</u>	<u>No. of Applicants who selected the District</u>
Adare/Rathkeale Municipal District	= 112
Cappamore/Kilmallock Municipal District	= 144
Newcastle West Municipal District	= 150

Note: Not all applicants wish to select 3 areas.
