## **LIMERICK CITY AND COUNTY COUNCIL**

### **MUNICIPAL DISTRICT OF NEWCASTLE WEST**

**MEETING TO BE HELD ON WEDNESDAY 5<sup>th</sup> APRIL 2023**

#### **Question submitted by Councillor L.Galvin**

I will at the next Meeting for an update on the following:

- a) Devon Road Cross
- b) Dore's cross Templeglantine
- c) Footpath extension out the Killarney Road to Daltons

#### **REPLY:**

A: In 2021, the Mid West National Road Design Office submitted a feasibility report to TII recommending a staggered junction be constructed at N21 Devon Cross, to replace the existing arrangement. Having considered this request, TII declined to proceed with the detail design process, and they did not allocate the necessary funding to implement the recommended option. As an improvement measure, signage was installed on the R515 in 2021, reinforcing the presence of the junction to traffic approaching the N21 on the R515.

Deirdre Clarke  
Executive Engineer  
Mid West Road Design Office

B: Limerick City and County Council have recently undertaken a turning count survey on Dore's cross and are currently developing a feasibility report for submission to TII. This feasibility

report will look at a number of potential improvements at the junction and aim to identify a preferred option. Assuming this report is accepted by TII, we will then proceed with developing a preliminary design report which will also need to go through the TII gateways prior to funding being committed to by TII for any proposed improvements.

Limerick City and County Council will provide an update once the feasibility report has been submitted.

**Seamas O'Reilly**  
Senior Executive Engineer  
Central Services

C: At present, Footpath works that only require maintenance qualify for inclusion for funding under TII GEO Apps.

**MEETING OF THE MUNICIPAL DISTRICT OF NEWCASTLE WEST TO BE HELD ON  
WEDNESDAY, 5<sup>TH</sup> APRIL, 2023**

**Question from Councillor Liam Galvin**

I will ask at our next meeting when we can expect the road to be overlaid from the Gateway Mountmahon down to the School Gate. This road is in a bad state of disrepair.

**Reply:**

The N21 Abbeyfeale to Mount Mahon Pavement Improvement Scheme is currently scheduled to commence construction in Q4 of 2023.

Consultations are ongoing with Irish Water regarding replacing a section of existing Watermain within the scheme which may delay the start date for the scheme.
