## **QUESTIONS**

### **Questions submitted by Councillor T. Ruddle**

4. I will ask at the next Meeting for the installation of at least three ramps or raised platforms for Arraview Estate, Newcastle West. The Residents Association have contacted me and allayed concern with regards the volume of speeding cars in the estate, which is very dangerous.
5. I will ask at the next Meeting for safety measures to be installed at the Glebe Estate in Monagea. Several surveys have been carried out at this location. This has been previously discussed with the conclusion that there would be a narrowing of the roadway at the entrance to the estate.
6. I will ask at the next Meeting for the Council to explore options for extra parking in Newcastle West town. Due to increase in business footfall and increase in population over the past few years we need more options for parking.

### **Questions submitted by Councillor J. Scanlan**

7. I will ask at the next Meeting when protective measures will be put in place at the junction of the Old Camas Road with the Ballyowen Road at Clounscherick.
8. I will ask at the next Meeting when speed indicators will be put in place on (i) The Southern approach to Feohanagh Village (ii) The Ballymackessy approach to Knockane Road, Newcastle West.
9. I will ask at the next Meeting for an update on car parking arrangements to complement our Greenway facilities at Newcastle West.

### **Questions submitted by Councillor M. Collins**

10. I will ask at the next Meeting for an update on the feasibility study for a new playground at The Demesne, Newcastle West.
11. I will ask at the next Meeting that Limerick City and County Council will pipe the stream and replace the dangerous and broken down railing at Glenmore, Strand in the interest of safety.

**Questions submitted by Councillor L. Galvin**

12. I will ask at the next Meeting for an update on the footpaths at the Hill Road, Abbeyfeale.
13. I will ask at the next Meeting for an update on traffic calming for Athea village particularly the road down from Upper Athea and going out over the bridge at the junction.

**NOTICES OF MOTION**

**Notice of Motion submitted by Councillor T. Ruddle**

14. I will move at the next Meeting that Limerick City and County Council consider installing a bus shelter below the Object Shop on the N21, Newcastle West. People travelling by bus are getting wet while they are waiting for the bus, this is a very busy bus stop so an application for funding this is a priority.

**Notices of Motion submitted by Councillor M. Collins**

15. I will move at the next Meeting that traffic calming measures be introduced at Knockaderry village to make the area safer for pedestrians, cyclists and all road users.
16. I will move at the next Meeting that public areas in the Municipal District of Newcastle West are policed by the Dog Warden and dog owners made aware of their responsibilities to keep their dogs secured on leads when in a public area.

**Notices of Motion submitted by Councillor L. Galvin**

17. I will move at the next Meeting that Limerick City and County Council would place the new playground in Tournafulla on the list to be insured under its property portfolio.
18. I will move at the next Meeting that the NTA provide funding for the following bus stops:
  - (i) A second stop for Templeglantine village
  - (ii) Devon Road Cross
  - (iii) Killarney Road, Abbeyfeale
