The Community, Leisure and Culture Committee meeting was held on 3<sup>rd</sup> April 2023 where the previous minutes of the meeting held 7<sup>th</sup> February 2023 were adopted.

Library staff from Watch House Cross Library gave a presentation to the members entitled "Story Seeds." Library staff from Watch House Cross and Rathkeale Libraries trained as volunteers with Fighting Words, which is a creative writing organisation, founded by writer Roddy Doyle and Seán Lowe. This training enabled the Watch House Cross Library Staff to facilitate sessions with children in Corpus Christi Primary School Moyross and Thomond Primary School, Ballynally and assisted the students complete a story with illustrations, which is published on the Fighting Words website.

Fighting Words approached the Watch House Cross Library staff to work on a longer-term project called Story Seeds. The workshops took place between October 2022 and December 2022 with 17 classes from 2<sup>nd</sup> to 6<sup>th</sup> class from the above schools attending the workshops. The result was that 10 stories were written by primary schools in Limerick City and County. A presentation was held in Thomond Park where each student was given a copy of the book. The event got extensive Media Coverage featuring on the RTE Main Six One News, RTE News2Day, The Irish Times front page, Limerick Leader, Limerick Post and Limerick.ie.

It is hoped to extend the project to Secondary Schools in the future. Cllr. Donegan and the members thanked the Library staff for this excellent initiative.

The members were advised that a 5-year strategy for the museum service in Limerick is currently being prepared. The strategy will set out a strong vision and clear direction for the sustainable development of Limerick Museum and will be shaped and informed by a thorough review and analysis of existing services in consultation with key stakeholders. The strategy will be set within a framework of keys themes and underpinned by priority actions, which will guide the implementation of the plan. The strategy will be completed and published in 2023.

Cllr. Donegan and the members thanked staff for the presentation and the excellent work being carried out by staff of Limerick Museum.

A briefing was given to the members on Inclusive Community Engagement in Local Planning and Decision Making. This is an initiative involving The Department of Rural and Community Development (DRCD)/Pobal/Local Development & Community Sector (ILDN & Community Work Ireland). The purpose of the initiative is to engage marginalised groups in planning and decision-making. The LCDC, SPCs, PPN and others will have a role in the process through the LECPs & LEADER Local Development Strategies. There are Three Core Phases, which are Planning, Implementation and Review. Cllr. Donegan and the members thanked staff for the presentation.

The members were advised that the final report with regard to the LECP will go before the full council by Quarter 3 or Quarter 4 2023. They were also advised that community groups had raised the amount of bureaucracy involved in funding applications.
