Mayoral Visit to New York, USA-3rd-6th March 2023

Background

An invitation was received by the Mayor of the City and County of Limerick, Councillor Francis Foley, to attend the Annual St Patricks Day Parade in Rockaway Beach, Queens, New York on Saturday 4th March, 2023. This is the second largest St. Patrick's Day Parade in New York and is held in early March, where it gains significant exposure prior to the other large St. Patrick's Day parades held around St. Patrick's Day itself.

At the January 2023 Meeting, approval was given by the Council to this proposed visit, in accordance with Section 142(5) of the Local Government Act, 2001, as amended.

Delegation & Trip

As the Mayor was also invited to attend the Annual St. Patrick's Day Parade in New York later in March 2023, I was nominated as Cathaoirleach of the Metropolitan District of Limerick to lead the delegation that visited Rockaway Beach, Queens for this Annual St Patricks Day Parade.

On Saturday 4th March, the delegation travelled out to Rockaway Beach and attended the Mass for Peace and Justice at St Francis de Sales Church, Rockaway where Michael Benn, President of the Parade and a Limerick native, introduced the delegation to the congregation.

After mass, the Delegation attended a St Patricks Day Breakfast Brunch Event at the Knights of Columbus Hall, Rockaway where the delegation met with members of the Irish American Community, along with local elected and business representatives and officials.

At this function, there were discussions amongst those present on the developments and progress in Limerick in terms of investment and tourism, and the importance of further developing linkages between Limerick, the Mid West, and Ireland with the United States.

Following on from this, the Delegation participated in the St Patricks Day Parade, which commenced from Beach 130th St and Newport Ave, Rockaway.

This was led by Grand Marshal, Michael O'Toole, Vice President of the Teamsters Local 282, along with the Parade Honouree's which included Michael O'Reilly; Terri Tobin, NYPD; Bobby McGuire FDNY; Brendan Mullany, NYS Courts and other Honouree's. Other parade participants including Letitia James, New York Attorney General, and Joseph P. Addabbo Jr., New York State Senator.

Discussions also took place with Michael Benn regarding plans and preparations for the New York St Patricks Day Parade.

On Sunday 5th March, the Delegation met with representatives of Limerick GAA, New York in Yonkers, New York and a presentation was made to them in recognition of their efforts in fostering and retaining the connection with the Limerick diaspora and for developing possible economic opportunities and contacts.

An invitation was received by Mayor Francis Foley to attend the Annual St. Patrick's Day Parade in Savannah, Georgia on the 17th March 2023. Deputy Mayor Kieran O'Hanlon led the delegation on behalf of Mayor Foley. It would be the 198th parade in Savannah and it has grown to be one of the largest St. Patrick's Parade in the world, attracting crowds of in excess of half million people.

Introduction:

At the January 2023 Council meeting, approval was given for a delegation to represent the Council in Savannah, Georgia from Tuesday 14th to Saturday 18th March 2022 to include participation at the St Patrick's Day Parade on the 17th of March.

The visit represented a great opportunity to continue the economic, social and cultural links between Savannah and Limerick. Savannah has very rich Irish Heritage and ancestry dating back to the mid-18th Century once colonisation commenced there. Around the 1840's the influx increased dramatically as a large employment boom in Savannah attracted the Irish before and after the Potato Famine. Accordingly, recent census information states that 1 in 4 Savannahians claim to have Irish origin.

Savannah has many similarities with Limerick as it has similar population size and is built on an Estuary linking the Savannah River to the Atlantic Ocean. They have regular flooding events annually similar to those experienced in both the city and various locations in the county in Limerick.

With this in mind, several meetings were arranged with key players in Savannah to build on existing linkages and forge new contacts for our mutual benefit in the future.

These meetings are summarised as follows:

Meeting with Mayor Van Johnson City Hall

The delegation visited City Hall to meet Mayor Van Johnson. The delegation were delighted to share learnings in relation to commonalities between Limerick and the City of Savannah. Mayor Van Johnson shared his experience and outlined the city's focus on poverty and economic inequality, as well as improving public safety and infrastructure. The delegation were also delighted to meet Alderwoman Kesha Gibson-Carter. Elected Members were delighted to confirm the announcement that Limerick would host the Association of Film

Introduction:

The Councils of Limerick County and Hohenlohekreis have had a twinning partnership in place since 1990.
