I will ask at the next meeting of the Cappamore/Kilmallock Municipal District for an update on the taking in charge of Castle Court estate in Kilmallock.

1. That the assessment has taken place and a snag list has been compiled and costed.
2. That the roads infrastructure has been assessed.
3. That the report has been submitted to the taking in charge section of the Planning Dept.
4. The planned date for the estate to be taken over by Limerick City & County Council.

### **REPLY:**

1. A Roads report has been compiled and costed. CCTV surveys of the storm and sewer lines have been completed and received by the Taking in Charge department. A Site Resolution Plan for the water services will be compiled and issued to Uisce Éireann for consideration in the coming weeks.
2. Costs for over ground repairs by Roads Department and Public Lighting have been submitted. Accurate costs for repairs to underground services and Water Services Infrastructure will be compiled in the coming weeks in line with the Site Resolution Plan for Uisce Éireann.
3. Reports are being worked on by the Taking in Charge Section currently.
