QUESTIONS**Questions submitted by Councillor J. Scanlan**

5. I will ask at the next Meeting that road lining is undertaken at numerous junctions between Feenagh village and Ballyagran.
6. I will ask at the next Meeting when will public lighting be installed on the new section of footpath from Clonroosk towards Feenagh Village.
7. I will ask at the next Meeting that speed indicators be placed along the R521 at Ballynoe in the interest of safety.

Question submitted by Councillor L. Galvin

8. I will ask at the next Meeting for a quotation to be prepared to provide for a footpath at the western side of the Cemetery to the rear of the Church in Templeglantine.

Question submitted by Councillor F. Foley

9. I will ask at the next Meeting for an update on the provision of the footpath at Lower Athea.

Questions submitted by Councillor T. Ruddle

10. I will ask at the next Meeting for the situation at Ballinakill Cross to be improved. There are very poor sightlines at this cross and I have received several complaints from drivers trying to pull onto the R520 from the L7006. In the interim can the ditches be cut back while a long term solution is decided upon.
11. I will ask at the next Meeting when will the loose paving stones around the Square in Newcastle West be replaced or repaired. You will note I asked this at a previous meeting and this issue is still outstanding. A resident took a terrible fall outside Marguerites recently due to the condition of the paving.

NOTICES OF MOTION

Notices of Motion submitted by Councillor J. Scanlan

12. I will move at the next Meeting that protective fencing be put in place next to the water ditch at the Woodfield Green end of DC Manor.
13. I will move at the next Meeting that immediate steps are taken to control traffic flow along the road fronting from Dromcollogher Cemetery towards an t-Ionaid Glass.

Notices of Motion submitted by Councillor L. Galvin

14. I will move at the next Meeting that immediate funding is sought to repair Barbers Bridge dividing Tournafulla and Templeglantine. I would also ask that a safety survey/risk assessment be carried out at this location immediately.
15. I will move at the next Meeting that a road survey be carried out from the Church in Tournafulla on towards Keating's Bar and that an answer be provided as to why the road is collapsing.

Notice of Motion submitted by Councillor T. Ruddle

16. I will move at the next Meeting that either the Council or the Council in conjunction with the Office of Public Works consider installing a retractable bollard at the vehicular entrance to Desmond Castle. This Council owned site is used by the Office of Public Works to access the castle and a local family to access their own home. Vehicles accessing the bank are constantly parking here and blocking it up, recently an ambulance could not access the site.
