**MEETING OF THE MUNICIPAL DISTRICT OF NEWCASTLE WEST to be held on Wednesday,  
22<sup>nd</sup> June 2023.**

**Notice of Motion submitted by Councillor J. Scanlan**

I will move at the next Meeting that protective fencing be put in place next to the water ditch at the Woodfield Green end of DC Manor.

**REPLY:**

It is agreed that the erection of a fence at this location would be desirable as a safety measure. In this regard, further investigations are needed as to ownership of the land involved and sourcing of finance to carry out the works should it be feasible to do same.

#### **Notice of Motion submitted by Councillor T Ruddle**

I will move at the next Meeting that either the Council or the Council in conjunction with the Office of Public Works consider installing a retractable bollard at the vehicular entrance to Desmond Castle. This Council owned site is used by the Office of Public Works to access the castle and a local family to access their own home. Vehicles accessing the bank are constantly parking here and blocking it up, recently an ambulance could not access the site

#### **REPLY:**

This is an issue that will need to be policed by An Garda Síochána and monitored by Limerick City and County Council's traffic warden. A removable bollard can be considered for this location.
