Question submitted by Councillor T.Ruddle

I will ask at the next Meeting for the situation at Ballinakill Cross to be improved. There are very poor sightlines at this cross and I have received several complaints from drivers trying to pull onto the R520 from the L7006. In the interim can the ditches be cut back while a long term solution is decided upon.

REPLY:

This junction is in the process of being cut at present – consultation will also take place with the landowner with regards improving the sightlines.

Question submitted by Councillor T.Ruddle

I will ask at the next Meeting when will the loose paving stones around the Square in Newcastle West be replaced or repaired. You will note I asked this at a previous meeting and this issue is still outstanding. A resident took a terrible fall outside Marguerites recently due to the condition of the paving.

REPLY:

Repair works have commenced in the Square and it is acknowledged that an overhaul of the square should be considered in conjunction with future Newcastle West Public Realm plans.
