***RE: Your letter (24<sup>th</sup> of April 2023) – Invasive Species in the Mulkear River Catchment***

Dear Mark

I acknowledge receipt of your letter dated 24<sup>th</sup> of April and the request for a presentation from LAWPRO. I have consulted with my colleagues internally and have gathered some of the relevant information. We agree that an interagency catchment focused approach is required. Other stakeholders including Coillte will also need to participate.

LAWPRO staff can provide an update on work undertaken and our experience in large scale invasive species management on the Mulkear catchment and elsewhere which were part funded through the EU LIFE programme.

Your sincerely
