existing internal access road to the north; by the existing Emergency Department and Renal Department to the south; by the existing hospital to the east and by St. Nessel's Road to the west. The Hospital Chapel within the Hospital Campus is a Protected Structure (RPS. Reg. 1649). No works are proposed to the Protected Structure as part of this application. The development will consist of: demolition of the existing pedestrian access ramp and generator compound; the provision of a new double basement car park and the commencement of car parking use at the basement levels (Level -2 and Level -1); the provision of a department shell comprising medical floorspace at ground floor level (Level 0) and first floor level (Level 1) (c. 5,462 sq m); the provision of 2 No. stair cores which will provide access to all proposed floor levels (Level -2 to Level 1) and to facilitate access to future upper levels; and the provision of hospital streets connecting the department shell to the existing hospital. The proposed development has a total gross floor area of c. 11, 262 sq m (including basement) and will link to, and integrate with, the existing University Hospital Limerick. Access to the basement will be via the existing basement car park to the south, which connects to the existing main entrance of the Hospital Campus. Construction access will be via the main roundabout on St. Nessel's Road. Construction
