MEETING TO BE HELD ON WEDNESDAY 4th October, 2023**

Notice of Motion submitted by Councillor J. Scanlan

I will move at the next Meeting that Limerick City and County Council provide funding for our County Town's Christmas lighting on a pro-rata basis with Limerick City.

REPLY:

Provision is made in the Annual Council Budget for Christmas Lights supports in both the city and county. The budget provision for Limerick City Centre reflects the benefit this has not only for the city and county but for the midwest region. If the budget allocation for the county town is to be allocated on a pro-rata basis with the Limerick City allocation this is a decision for the members at the Annual Budget meeting.

LIMERICK CITY AND COUNTY COUNCIL

MUNICIPAL DISTRICT OF NEWCASTLE WEST

MEETING TO BE HELD ON WEDNESDAY 4th OCTOBER 2023

Notice of Motion submitted by Councillor J. Sheehan

I will move at the next Meeting that the Roads Section of the Municipal District of Newcastle West set a specific budget aside for the supply and service of two permanent Tar Patchers to cover specifically the road network of the Municipal District all year round

REPLY:

Currently the Municipal District of Newcastle West have two patching units operating in the Municipal District.

It would not be deemed efficient having patching units operating all year around due to precipitation and inclement weather. For six months of the year, two patchers are going to be in operation throughout the district.

From November to February we will be reducing to one patching unit in the district.

MEETING TO BE HELD ON WEDSESDAY 4th OCTOBER 2023

Notice of Motion submitted by Councillor J. Sheehan

I will move at the next Meeting that in the interest of balanced service of the road network in the Newcastle West Municipal District that a permanent crew of road workers would operate on a full time basis out of the Kinard depot in Glin

REPLY:

At present, we have two Senior Supervisor/General Services Supervisor positions operating in the Municipal District of Newcastle West. One is located in Top Yard, Newcastle West and one in Doonakenna. Both of these supervisors have crews operating out of these locations. Any additionally to these bases would have staffing and financial implications that would need to be approved by both Transportation management and Human Resources. Regardless of locations, we believe all areas in the Municipal District are getting a balanced service.
