Re: Adare Buckow Twinning Project

A Chomhairleoir, a chara,

Adare Community Council has a twinning arrangement with Buckow in Germany. The main objective of the arrangement is a mutual desire to broaden horizons and enhance the lives of both communities.

Adare Community Council hosted a delegation of 25 people from Buckow for the St. Patrick's Day weekend including their Brass Orchestra who took part in the parade and gave a concert on 18th March. The German Ambassador and his wife attended the parade. The Community Council also hosted five visitors from Villecresnes in France. The total cost incurred by Adare Community Council for hosting the delegation is €1,252.49. It is recommended that Limerick City and County Council fund 50% of this expenditure. This expenditure can be charged to the twinning code.

Therefore, approval is sought for the provision of financial assistance in the sum of €627 towards the cost of the twinning initiative.

Is mise le meas,
