

## Mill Road Active Travel Scheme

Comhairle Cathrach  
& Contae **Luimnigh**  
**Limerick City**  
& County Council

26/01/2024

ShareRidge are delighted to announce following initial site clearance works, surveying and enabling works, the construction activities will commence on the Mill Road Active Travel Scheme on the week commencing Tuesday, 6th February.

Works to access and clear an area in the Bishops Field will be carried out, allowing the site compound and storage area to be set up. This will be followed in the coming weeks by topsoil strip, removal of sections of the existing wall in the Bishops field. The removed stone will be cleaned and stored on site and will be reused for the construction of the relocated permanent wall. The excavation for service ductings and foundations can be progressed as the wall is removed. Localised traffic management will be set up as required.

Our Public Liaison officer will be contacting those who are directly affected by the compound works next week.

If you wish to be included on the mailing list for these updates, please scan the QR code below and follow the instructions. Or alternatively please email
