Next week 19th to 23rd of February

Site clearance will be carried out in the Bishops Field. Felling of the remaining trees is anticipated to be carried out on the week of February 19th-24th and there will be localised traffic management in place. Permanent works will commence at the Western end towards the River with excavation of existing grass verges and this will be followed by the construction of the new road alignment. Traffic management will be in place during working hours.
