

# Active Travel Scheme Mill Road

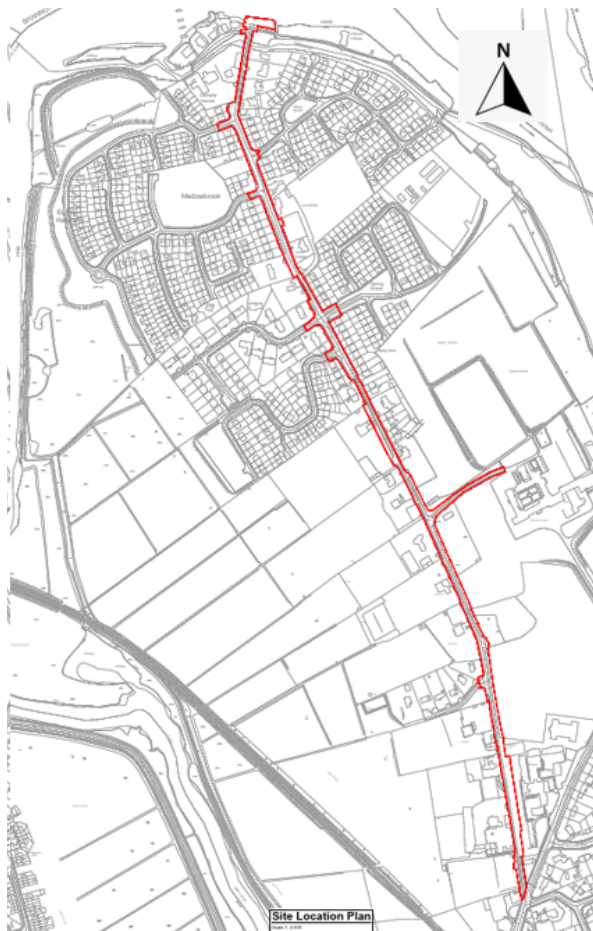

24/02/2024

## This past week 19th to 24th of February

Tree felling has been carried out during the week in the remaining area in the central section of the project. One more visit to site and these works will be completed.

Site investigation works were carried out on the Northern end of the job by the river, this was followed by construction works for the new realigned roadway.

## Next week 26th of February to 1st of March

Construction works will continue on the new roadway at the Northern end of the project. Further temporary fencing works will be carried out between the Bishops Field and Scoil Ide in advance of the removal of tree stumps.

Traffic management will continue next week.

We greatly appreciate everyone's patience and cooperation during the course of the works.
