This past week 4th to 8th of March

The removal of the wall from rear entrance of St Munchins to Scoil Ide was completed. Stump grinding works were carried out in various areas. Following the removal of the wall, works on the foundations of the new wall have progressed. Please see pictures below of before and after the removal of the wall.

Next week 11th to 15th of March

The first section of foundations will be poured in Bishops field, once completed the construction of the new wall will commence. It is also envisaged that the installation of service ducting will commence in the first section of the project adjacent to Scoil Ide. There will be localised Traffic Management in this area to accommodate concrete and stone deliveries.

In Phase 1 at the North Western side of the Job, the existing watermain and services will have to be lowered to accommodate the new road makeup.
