### Next week 2nd to 5th of April

Block work for the new wall will commence in the coming week in Bishops Field. Further sections of foundations will be excavated and poured. The installation of the service ducting will continue in this area.

At the Northern end of the project existing services will be exposed and a new protection slab poured.

Please see image below of the pillars for the entrance to Bishops Field.

ShareRidge appreciates all the cooperation and patience during the works.
