### This past week 2nd to 5th of April

Over the past week the construction of the wall commenced close to Scoil Ide.

Installation of services continued heading North, towards the rear entrance of St Munchins

At the northern end of the project, all the services that lay under the section of the road that is being realigned were exposed and lowered to facilitate the construction of the new road formation.

Please see image below of lowered services at Northern end of Project.

## Active Travel Scheme Mill Road

05/04/2024

**Next week 8th to 11th of April**

At the Northern end of the project a concrete protection slab will be poured over the newly lowered services and kerbing will commence.

Installation of services will continue around St Munchins, with further sections of the old wall removed and foundations installed.

Block work for the new wall will continue near Scoil Ide.

ShareRidge appreciates all the cooperation and patience during the works.
