& Contae Luimních  
**Limerick City**  
**& County Council**

19/04/2024

### This past week 12th to 19th of April

Over the past week, kerbing has been installed and the road realigned at northern end of project.

This allowed works to commence on the Eastern side, with the removal of existing footpath in advance of installation of service ducts.

In Bishops field, construction of the new block wall continued and the stone work was commenced.

Please see image of the newly realigned road.
