This past week 29th of April to 3rd of May

Over the past week, works have continued on the Eastern side of the road at the Northern end of the project, with the removal of further existing footpaths and installation of service ducts. In the area where service ducting was installed last week, kerbing has been laid and the new surface for the shared footpath/ Cycleway has been poured.

In Bishops field, construction of the new block wall along with the stonework has continued.

Please see image of shared footpath/cycleway at the Northern end of Mill Road.
