

Active Travel Scheme Mill Road Bulletin No. 16

10/05/2024

This past week 5th to 10th of May

Over the past week, works have continued on the Eastern side of the road at the Northern end of the project, with the removal of further existing footpaths and installation of service ducts.

At the entranceway to Suil Na Habhainn drainage works have begun.

In Bishops field, construction of the new block wall along with the stonework has continued.

The first of the properties slated to be demolished has been completed. Please see before and after pictures below.

4

Next week 13th to 17th of May

Blockwork and stonework will continue in the Bishops Field wall.
Further sections of foundations and service ducts will be installed.

At the Northern end of the project, works will continue on the installation of service ducting beneath the existing footpath.

New kerbing will be laid and further sections of the new surface in the shared footpath/cycleway will be poured.

Preparations for new planters and a raised table along with pedestrian crossings will begin next week.

Localised traffic management will be in place over the coming weeks.
