Re: Nominations to the Board of West Limerick Resources CLG

Dear Laura,

I am writing to invite Limerick City & County Council to nominate four representatives to the Board of West Limerick Resources CLG. Under our Company Memorandum & Articles of Association the four outgoing Councillors (Michael Collins, Tom Ruddle, Bridie Collins and Elisa O'Donovan) retire at the Local Election and are not eligible to be renominated for a second term. The term of Councillors nominated to the Board coincides with the five year electoral term of the Council.

You will note that our geographic remit covers the wider West Limerick area including Newcastle West Electoral Area, Adare Rathkeale Electoral Area and the Limerick City West Electoral Area.

We would very much appreciate if, when nominating, Gender Balance can be taken into consideration when finalising nominations.

If you require any additional information or clarification, please do not hesitate to contact me.

Yours sincerely,
