# 101 Actions, 101 Days

- My first 101 days has been about me understanding the bigger challenges, and also what could be done quickly.
- A priority for the short term is improving the Limerick in which the majority see each day, our city centre.
- We have identified quick actions, so the heart of the region puts a better foot forward for visiting tourists over the summer months.
- There will be a focus on animating the city centre in August.
- We will support summer activities before kids return to school and provide a boost to the struggling retail sector located there
