**NOTICES OF MOTION**

**11. Notice of Motion submitted by Councillor G. Ward**

I will move at the next Meeting that given the ongoing uncertainty and delay in lifting the Estuary boil water notice that Uisce Éireann immediately provide each household impacted by the boil water notice a grant of €500 towards the cost of installation of a water filtration and purification system. The provision of a new system in each house to include ultraviolet technology would help household costs and improve the drinking water quality.

It would also prevent a reoccurrence in the future and people would have peace of mind and reassurance of safe drinking water in 2024.

**12. Notice of Motion submitted by Councillor G. Ward**

I will move at the next Meeting that the Adare-Rathkeale Municipal District calls on the Minister for Further and Higher Education to support the application by the University of Limerick and immediately establish a new Veterinary School in Limerick in order to address the chronic shortage of college places for students wishing to study veterinary and avoid them having to go abroad to study and to ensure that we have enough vets going forward to ensure our food security, animal welfare and support our farmers.

**13. Notice of Motion submitted by Councillor A. Teskey**

I will move at the next Meeting that this District write to the secretary of the Kilfinny group water scheme to ask for an update in relation to consumers having continuous problems with their supply of water.

**14. Notice of Motion submitted by Councillor J. O'Donoghue**

I will move at the next Meeting that a full breakdown of costs borne by Limerick City and County Council from the recent court case in relation the Adare-Rathkeale District following the local elections be provided. This breakdown to include and specify any expenditure to any third party.

**15. Notice of Motion submitted by Councillor J. O'Donoghue**

I will move at the next Meeting that a plan for verge trimming on a year round basis be implemented by Limerick City and County Council on all roads under the control of the Local Authority.
