RE: Limerick Development Plan 2022 – 2028 Mayor's Two Year Progress Report

A Príomh Chomhairleoir, a chara,

Please find below a link to the Limerick Development Plan 2022 – 2028 Mayor's Two-Year Progress Report being issued to the Elected Members in advance of a presentation and noting of the report at the Council Meeting on 23rd September 2024.

The Planning Authority is required to give a report to the Elected Members on the progress achieved in securing the objectives of the Limerick Development Plan in line with the requirements of Section 15(2) of the Planning and Development Act 2000 (as amended). The Two-Year Report provides commentary on the progress made in achieving the key policies and objectives of the Development Plan during the first two years of implementation. Extensive engagement with all Directorates of the Local Authority has taken place in order to determine the ongoing progress on over 440 no. policies and objectives set out in the Development Plan. Appendix I lists all policies and objectives and indicates progress on each.

The monitoring report demonstrates that overall, progress has been made in the implementation of the Development Plan thus far. The Planning Authority will utilise this review and any emerging trends and issues to inform the next review of the Development Plan.
