**Meeting of the Municipal District of Newcastle West
to be held on Wednesday, 6th November 2024**

Question submitted by Councillor T Ruddle

I will ask at the next Meeting that the Council clean up the Oakpark estate, trees need to be surveyed as some may require removal and the grass area cut as this is leading to dumping and encourages vermin.

Response:

The Council will arrange an inspection of the area and will undertake a survey of the trees. The Council will arrange for any necessary tree maintenance and also grass maintenance in the area.

Kieran Lehane

Director of Services

Question Councillor J. Scanlan

I will ask at the next Meeting when ongoing drainage issues on the eastern side of Knockaderry Church will be addressed.

Reply:

During 2022/2023 LCCC carried out extensive drainage works, in the meantime these drainage works have been closely examined and have been found to work well. LCCC will continue to monitor this area.

Reply to Question for the November Meeting of Newcastle West Municipal District, to be held on Wednesday, 6th November, 2024.

Question submitted by Councillor L. Galvin

I will ask at the next Meeting for a detailed update on Lees Cross, to include costings and start/completion dates where possible.

Response:

Part 8 planning was approved for this scheme in 2023 following completion of the preliminary design. Detailed Design & Land Acquisition is currently underway. Following this stage, a detailed programme and Project cost will be known.

Subject to the necessary lands being acquired it is intended to proceed to tender in 2025 with works to be complete by 2026.

LIMERICK CITY AND COUNTY COUNCIL

MUNICIPAL DISTRICT OF NEWCASTLE WEST

MEETING TO BE HELD ON Wednesday, 6th November, 2024.

Question submitted by Councillor L. Galvin

I will ask at the next Meeting for a detailed update on the following road project, to include costings and start/completion dates where possible.

- Dore's Cross, Templeglantine

REPLY: Limerick City and County Council are still awaiting confirmation from TII to allow progression of this design and any associated applications for funding.

The proposed Scheme considers the construction of a footpath/cycle track 149 meters in length which would join up with the existing designated walkway from the village of Templeglantine to the junction of the N21/L7055. This Scheme will facilitate pedestrian connectivity to Templeglantine GAA Club and improve the junction safety by providing a traffic calming measure.

TII have commented that the recent pavement scheme has also addressed safety concerns at this location.

The cost associated with delivering the proposed improvement scheme identified above is estimated to be €92,813.72 Incl. VAT.

Limerick City and County Council will continue to follow up on this scheme and provide an update once available

Enda Harrison

Executive Engineer, Roads, Traffic & Cleansing

Date: 22/10/2024

**MEETING OF THE MUNICIPAL DISTRICT OF NEWCASTLE WEST
TO BE HELD ON WEDNESDAY 6th NOVEMBER 2024**

Questions submitted by Councillor Liam Galvin

1. I will ask at the next Meeting for a detailed update on the Abbeyfeale Bypass, to include costings and start/completion dates where possible.
2. I will ask at the next Meeting for a detailed update on the Newcastle West Bypass, to include costings and start/completion dates where possible.

Reply:

Since our update to you, on the N21 Abbeyfeale and N21 Newcastle West schemes, for the September meeting of the Municipal District of Newcastle West we have continued through Phase 3 of TII's Project Management Guidelines which includes design and preparation of statutory documents.

Our design team are finalising the design to consider additional design requirements including consideration of the active travel facility cross section and the impacts of the 2023 speed limit review. We have also carried out additional environmental surveys and the results have been fed back into the design.

We are on target to publish a further design update early in 2025 and this update will outline the road alignments for each of the schemes and will provide timeline estimates for the progression of the N21 Abbeyfeale and N21 Newcastle West schemes.

We will not have detailed costings until the design has been completed and the required business cases are prepared in accordance with Public Spending Code requirements.

The design update target is subject to the continued support of public funding for the projects.

LIMERICK CITY AND COUNTY COUNCIL

MUNICIPAL DISTRICT OF NEWCASTLE WEST

MEETING TO BE HELD ON Wednesday, 6th November, 2024.

Question submitted by Councillor L. Galvin

I will ask at the next Meeting for a detailed update on traffic calming from Moloney's Garage towards Dalton's Cross, to include costings and start/completion dates where possible.

REPLY: Limerick City and County Council are examining options for Traffic calming in the form of footpaths from the town park to Daltons cross and a pedestrian crossing of the N21 East of the Town Park. To date funding is not available but we will continue to follow up and provide an update once available.

MEETING OF THE MUNICIPAL DISTRICT NEWCASTLE WEST to be held on Wednesday, 6th November 2024

Question submitted by Councillor L. Galvin

I will ask at the next Meeting for an update on Ray's Estate, Mountcollins, to include road resurfacing, water and lighting.

REPLY:

Cllr. Galvin in response to your question we are currently in the process of dealing with Uisce Eireann in regards to the costing for the installation of a new watermain and fire hydrant within the estate.

Sean McGrath
Executive Engineer
24 October 2024

**MEETING OF THE MUNICIPAL DISTRICT OF NEWCASTLE WEST
TO BE HELD ON WEDNESDAY, 6TH NOVEMBER 2024**

Question submitted by Councillor Liam Galvin

I will ask at the next Meeting (a) who is responsible for the grass cutting on the newly created islands from Mountmahon towards the town (b) can a contract be put in place to have these cut on a regular basis.

Reply:

The areas along the N21 eastern approach to Abbeyfeale will be reviewed as part of the routine maintenance which will be carried out by Limerick City and County Council.
