### Next Week

Excavation works will begin in the footpath area across from the basketball court in Scoil Ide. New ducting and services will be installed. These works will continue in the direction of the river. Temporary traffic light system will be in place locally.

At the junction to Millionaires Road, a crew will be working on installing a crossing for drainage, again a stop/go system will be in place to facilitate traffic.

Works will then continue onto and across Millionaires Row to connect new drainage to the existing manhole at the end of the road. Workers will facilitate local access to houses.
