Next Week 23rd to 27th of September

Stone masons will continue work on Ryan heart and Rear gate of St Munchins. Blockwork will also continue at Indiaville.

Drainage works around the derelict house beside Laurelville will be completed next week. Gulleys will be installed, and a continuation of the concrete plinth will be shuttered and poured outside the derelict cottage beside Laurelville. At the rear entrance to St Munchins ducting will be run from the road to the residence inside the wall. Between St Munchins rear gate and the Bishops Field gate, kerbing will be installed and the area regulated in advance of tarring.

At the Southern corner of the entrance to Meadowbrook, the existing kerbline will be excavated and a new kerb laid with tactile paving.

Outside the former building Laurel Cottage, excavation will take place, and a new kerb line installed.

Outside Hillside Cottage, an ESB chamber will be installed along with a lighting column and the footpath area will be regulated.

A further lighting column will be installed on the footpath opposite the entrance to Laurelville Estate.
