Meeting of the Cappamore – Kilmallock Municipal District to be held on Thursday 20th February 2025

Question submitted by Councillor Teefy

I will ask at the next meeting of the Cappamore-Kilmallock Municipal District for an update on safety measures, from previous motion, at Cleary's Cross, Herbertstown on the R513 where there have been several traffic accidents at the bend at the junction.

Response:

The Cappamore-Kilmallock Municipal District office has not received any report on accidents at Cleary's Cross junction on the R513. The Roads Engineer has requested An Garda Síochána to examine their database and advise of reported incidents.

The junction has also been examined and there is no physical evidence of vehicles leaving the road and impacting roadside boundaries. However, the Municipal District, as part of routine maintenance measures, will upgrade the existing road markings and signage on all approaches to the junction.

Trevor McKechnie

Senior Executive Engineer

Cappamore-Kilmallock Municipal District
